Getting started with Articulate 360

Best tool in the Industry, Articulate 360 simplifies e-learning development from start to finish. Our virtual training equips you with the knowledge you need to source assets, author multi-device courses, speed up stakeholder reviews and grow your own development skills to produce great solutions for your learners.

**BASIC STORYLINE 360:**
Our introductory 4-session virtual training provides everything you need to begin building highly-interactive e-learning modules with Storyline 360 that can be published and delivered to meet a variety of needs and play on a variety of devices.

**RISE 360+ ONLINE TRAINING SYLLABUS:**
Held in our virtual classroom, this interactive, comprehensive two-session course provides everything you need to create compelling e-learning solutions with Rise 360 whilst walking away with a deeper understanding of the award-winning Articulate® 360 suite of tools.

In these sessions you’ll learn and build complete modules using Rise 360, as well as supplement these modules with additional content using the Articulate® 360 tools (eg. Content Library 360 and Review).

**PARTICIPANTS**
Training sessions are designed for a variety of skill levels. All participants should have basic computer skills and familiarity with navigating some of the more common user interfaces (eg MS Word and browser windows).

Participants will join the sessions via an online link which will be supplied

2 hour live sessions with application exercises assigned as homework at the end of each session and online solution sets are provided.
